- full 2 year domestic warranty**

"the most powerful
compact dehumidifier
on the Australian market"

specifications

model no.	WDH-316DB
voltage/frequency	220 - 240 V / 50HZ
noise level (dBA)	37 (dry) / 40 (low) / 41 (high)
power input	300W
refrigerant	R290
SAA approval	CERTIFICATE NO. SAA-210748-EA
moisture removal	16 LITRES/DAY (30°C @ 80% RH)
recommended max area	25 M ² / 62 M ³
water tank capacity	2.4 LITRES
compressor	ROTARY
dimensions (w) x (d) x (h)	314mm x 194cm x 467cm
weight	10.4 KG
power control	ELECTRONIC / EASY SOFT-TOUCH
running temperature	5-32°C

*4m² minimum room-size

For boating moisture control we recommend use in conjunction with independent timers, rather than running the unit unattended 24/7. Do not use in a room with continuously operating sources of ignition (e.g. open flames, operating gas appliances or electrical heaters).

Specifications and designs are subject to change without notice for further improvements

All Ausclimate model-types undergo stringent, comprehensive legislative and regulatory testing by independent govt. accredited bodies to ensure our products meet the highest Australian industry standards possible.
